Thank you EVERYONE for their support for the SpongeBob Performances and the Chorus Performances. It really does take a village to help the Theatre Director and the Students put these performances on.

I really appreciate all of you that spent hours of your time at the school, Lowes, and of course spending countless hours of just conversation in order to make it all a success.

I would like to thank everyone’s efforts to help keep the receipts in order. I know the new program that Jeff put into place was new to all of us, but it does help us with the final budgets.

## **New Business:**

Motion made by Jeff Hamula to provide \$2,000.00 to the Cuthbertson Middle School to get their Performing Arts program started – President Jackowitz tabled the motion, need to investigate if this is legal for CHAOS to do and the impact it may have to the existing organization including budgets.

## **Old Business:**

We received an invoice from CHS for Ms. Ford's expenses from the trip to Nashville with the Chorus. We were under the impression CHS would pay the cost of the trip. We will follow up with administration. In the February 21, 2023 CHAOS Board meeting minutes, the original motion in the CHAOS January 2023 Executive Board Meeting to pay the trip invoice was rescinded due to the impression CHS would pay for it. We will look into it further.

Need CHS administration approval for bylaws. We are awaiting their approval.

**\*\*Next CHAOS General Booster Meeting: May 16, 2023; Board Elections at 6:30pm at Cuthbertson HS**

**Meeting Adjourned:** Motion made by Jeff Hamula, Seconded by Alison Kymer at 7:50pm. All in favor.

Respectfully Submitted by,

Jason Jackowitz  
President
